INSTRUCTIONAL SUGGESTIONS

1. Students will use the Index to locate answers to these questions. Those words in bold type indicate the correct reference in the Index.
 - a. What is the primary mountain range in the **Big Bend National Park**?
 - b. What is the population of **Houston** (city), the largest city in Texas?
 - c. **Annexation of Texas** as the 28th state occurred on December 29 of what year?
 - d. Many **Fairs, Festivals and Special Events** occur in Texas. Which one would you most like to attend? Where and when does it occur?
 - e. How many kinds of **rattlesnakes** can be found in Texas?
 - f. You and your family would like to see the bats leaving the cave at dusk at the **Devil's Sinkhole State Natural Area**. In what season of the year must you go?
 - g. Make a hypothesis about which county receives the greatest economic impact from **tourism**. Which county did you choose? Why did you choose that county? Were you correct?
 - h. In **Texas Public Schools**, what is the expenditure (amount spent) per student each year?
 - i. The **assassination** of President John Kennedy occurred in Dallas on what date?
 - j. There are various **boundary lines** in Texas. What is the total length (in miles) for these boundaries?
 - k. The **National Forests** in Texas cover 637,472 acres in parts of how many counties?
 - l. Professional **basketball** first came to Texas in what year?
 - m. One of the **state symbols** is the Monarch butterfly, which was designated as the state insect in what year?
 - n. **Loving County** (profile) is the least-populated county in Texas. Its county seat is the only town in the county. What is the name of that town?
 - o. **Brewster County** (profile) is the largest in land area and is almost as big as what two states combined?
 - p. There are **temperature extremes** in Texas. What are the record high and low temperatures?
